April 27, 2020

Dear Licensed/Registered Beauty Service Professionals:

The Nevada State Board of Cosmetology has submitted its ***Enhanced Sanitation Guidelines for Nevada Salons*** in response to the COVID-19 pandemic to the [Governor's Office of Economic Development](#). We will release these guidelines once we receive feedback from the Governor's office or once a reopening date is announced for the beauty service industry. While we currently do not have any updated information regarding the opening date for salons and licensed/registered beauty service professionals, this information will be immediately available on nvcosmo.com and social media as soon as the opening date is provided to us by the Governor's office.

While we are waiting for approval to release the ***Enhanced Sanitation Guidelines for Nevada Salons***, we want to remind you that it is important for salons to have operating procedures that outline infection prevention best practices and for licensed/registered beauty service professionals to be knowledgeable of the salon's operating procedures. To assist in this process, we have prepared 3 self-inspection checklists for salons and individuals that deliver each major branch of cosmetology. The checklists below will help guide you through most of the salon areas and how to ensure they are clean and disinfected:

- [Hair Care Services](#)
- [Nail Care Services](#)
- [Skin Care Services](#)

We have also developed material to accompany the self-inspection checklists that provide more detailed information on how to maintain a clean and disinfected salon:

- [Salon Disinfectant Information](#)
- [Disinfection Process Flow Chart](#)
- [Salon Linen Cleaning & Storage Information](#)
- [Salon Frequently Touched Surface Guide](#)
- [Identifying Risks in 21 Common Beauty Services](#)
- [VIDEO: Discarding and Disinfecting Tools & Implements](#)

Our offices are working diligently to provide you with as much information as possible. The *Enhanced Sanitation Guidelines for Nevada Salons* will be available on nvcosmo.com, social media, and emailed to our licensed/registered beauty service professionals.

Sincerely,

Gary Landry
Executive Director
